Tucked away near the end of a quiet, leafy cul-de-sac, 8A is the perfect place to retreat to. Conveniently located near the city centre yet removed from the sound of the streets, 8A offers the ideal space to unwind after a day of sightseeing or business; our friendly and professional staff will attend to your every wish.

Relax in one of the beautiful lounges, take in the lovely view over Makhanda from the outdoor terrace, or escape entirely to your room, which offers all the hallmarks of luxury you'd expect from The Oyster Collection – but with an added sense of tranquillity that's all too rare.

The rooms are beautifully decorated and offer comfort, convenience, and plenty of space.
